

ADOPT-A-NOLE

Our Adopt-A-Nole program is beginning again. This is a great opportunity for Trinity members to reach out to college students who attend Trinity and other United Methodist College Ministries such as Wesley Foundation. Students away from home miss family dinners and the opportunity to interact with families in a "home environment." You can be as involved in this program as you and your student(s) decide to be. Please fill out the form below and let us know how you would like to participate in this exciting opportunity for ministry and fellowship. Your contact information is vital so that we can match you up with similar interested students.
