

September 2010 E-Newsletter

Hello! This is the first of the new school year's monthly newsletters. I hope that you will find them informative and helpful! We have had a wonderful start to the school year!

1. Please label all items with your first and last name; this includes cups, lunch containers, clothes, etc.
2. Bug spray and sun screen: We ask that families send in bug spray for your child so that we can spray before we play outside. We ask for spray rather than lotion because spraying each child is more efficient than rubbing lotion on each child. If you would like for us to apply sun screen (for the afternoon kids), again, please use either a combined bug spray and sun screen or send in spray sun screen. Thanks for your cooperation.
3. Do you have any friends who are looking for a preschool? We have openings in the infant room and toddler room. This is a part time only program – each day ends at 1:00. Have them call me for the details!
4. From time to time I will share what I think is a great idea for preschoolers. If you are in the market for a new lunch box, please check out <http://www.getyubo.com>. These lunchboxes are personalized and sanitary as they completely break apart so that they can be put in the dishwasher – a great find from one of our preschool families! (And no, neither of us works for nor gains any profit from this company!)
5. The preschool is closed Monday, September 6th in observance of Labor Day.
