

## At the End of the Day

The afternoon ends on the playground. Pick-up is 5:30-5:40. Every child must be signed out by a parent or designated adult. Any child not signed out by 5:40 will be taken to Moor Hall where they will wait on the gray chairs until they are signed out.

Dinner is served in Moor Hall beginning at 5:30. NETkids families are encouraged to stay and enjoy this time together. The cost is \$6.00 for adults and \$3.00 for children. Classes are offered for adults at 6:30 as part of our Lay Academy program. Childcare for all ages is provided for parents taking classes. We provide a special place and supervision for those children with homework.

## Registration

All children who participate must have a registration form on file with us. There is a registration fee of \$25 for the year. Scholarships are available. Registration is August 31 at the Parent's meeting. Forms are available through the church office and outside Room 204 and on the website: [www.tumct.org](http://www.tumct.org).

## Parent Involvement

NETkids requires help from every family. Each family will be asked to donate drink and food for snack periodically throughout the year. Initially please send two large bottles of fruit drink and a large box of cereal, pretzels or crackers for each child attending. We will let you know when we have additional needs.

Please consider carefully where else you could assist the program and fill out the back of the registration form where the present needs are listed. We have many ways you could help.

The calendar and plans for the year and safety policies will be reviewed at the parents meeting on August 31 at 7:00 p.m. in the Underground, (large room off of the playground). Childcare will be provided on the playground.

**At least one parent is asked to attend this meeting if a child is going to participate in NETkids. This is a MANDATORY meeting for participation.**

## About NETkids

NETkids is a fellowship group for elementary school children. It meets Wednesday afternoons September through May. The afternoon begins and ends on the playground. Parents carpool to transport children from school. Arrival time is between 3:15 and 3:45 and pickup is at 5:30. We have snack and recreation outside on the playground until 3:45, and then proceed to the Underground to embark on our adventure for the afternoon!

## Adventure with Us

This year we are excited to continue our "Living Inside Out" theme and also to be bringing back the NETkids Railroad! We will begin our adventures with Bamboogie, a LIO module that picks up characters from our VBS theme, **Pandamania**. Using **Romans 6:13**, "So use your whole body to do what is right for the glory of God." We will be looking at healthy living and healthy choices as children of God. We will also revisit other friends from previous VBS years and use them as the foundation for the scenery we will be building for the NETkids Railroad. It is going to be an exciting fun year with lots to do and experience with new friends and old and all children kindergarten through grade 5 are invited to be a part of it!

## Musical Opportunities

NETkids includes two choirs. Kindergarten, first and second grade comprise the Alpha Choir and third through fifth grade make up the Omega Choir. Both choirs will sing periodically in worship and will also share their music in the community. In the spring they will present a musical in worship in which both choirs participate. This year, grades 4 and 5 will have a chance to be a part of a steel band. Orff instruments, boomwackers, and other instruments will also be used at various times during the year.

## Yearly Special Events

Some special events that will take place during the year include singing at a retirement facility followed by our annual Halloween Pizza Party. In December this year, NETkids will be part of a musical Dinner Theater which will be presented December 9 & 10. They will also go Christmas Caroling at a retirement facility. In February, we will have our annual Teacher Banquet. May will bring the Children's Musical that is performed both at Trinity during worship and later that week at a retirement facility. Finally, we will end the year with a celebration of all we've done, thanking our volunteers and saying good-bye to our fifth graders as they move on to UMYF.
