Local Missions - Year in Review

Sabrina Denmark
Co-chair Local Missions

The Local Missions Team would like to thank you, the members of Trinity for your faithfulness. Please take time to read what we did together for those in need in 2016.

Through the Local Missions Team, a total of \$47,400 was given to 13 agencies, organizations, and ministries in the Tallahassee area.

Bear Sunday

Last February, you generously donated 267 bears that were given to Hope Community, the Children's Home Society and the Caring Tree with Big Bend Hospice.

Diaper Drives

Three diaper drives were held that collected over 4,000 diapers. These diapers were distributed to the Refuge House, Hope Community and Children's Home Society. Mary Stephenson did an awesome job coordinating this drive.

Mac n Cheese

The ongoing Mac n Cheese Drive has brought in about 1,400 boxes. This averages about 120 boxes per month! All of it is given to Echo. Other food items were also dropped off and Barbara Allen faithfully dropped the items off at Echo.

Hope Community

Not only does Hope Community receive a financial contribution, but approximately 30 Trinity members, at the direction of Sam Rogers, Sr., have volunteered their time to cook and serve an evening meal once a month, to around 100 individuals, with half of that number being children.

Providence Community

Lora Chapman headed up so many great endeavors for the Providence Community. In 2016, Trinity contributed to the Providence Community Garden in the form of seeds, plants, compost, pine straw, and labor. These contributions

supplemented the neighbors' determination to bring fresh vegetables and herbs to a food desert, which exists in this community. Local Missions contributed \$400 to their annual Fun Day on June 4. This money helped pay for food, serving items, tents, and games for the kids. A total of 27 members of the Trinity Book Club, and other members and friends of Trinity United Methodist Church volunteered to conduct a summer reading program for the elementary-aged children in Providence. This was known as, The Providence Book Club, which ran for four Tuesdays, July 12 - August 2, with 24 children participated. Combining

The Season of Lent at Trinity

Rev. Dr. Wayne D. Wiatt
Senior Pastor

Lent is a season of forty days, not counting Sundays, which begins on Ash Wednesday and ends on Holy Saturday. Lent comes from the Anglo-Saxon word "lencten," which means "spring." The forty days represent the time Jesus spent in the wilderness, enduring the temptation of Satan and preparing to begin his ministry.

Lent is a time of repentance, fasting, and preparation for the coming of Easter. It is a time of self-examination and reflection. In the early church, Lent was a time to prepare new converts for baptism. Today, Christians focus on their relationship with God, often choosing to give up something or to volunteer and give of themselves for others during this meaningful season.

Sundays in Lent are not counted in the forty days because each Sunday represents a "mini-Easter" and the reverent spirit of Lent is tempered with joyful anticipation of the Resurrection.

At Trinity, we will have a variety of opportunities to participate in Spiritual Disciplines and Studies during this Holy Season of Lent.

An annual tradition at Trinity has been to participate in a mid-week Lenten Worship Series with our neighboring downtown churches. Our shared worship will begin March 16 with each Thursday gathering beginning at 12:10pm and hosted by Trinity (TUMC), First Presbyterian (FPC), First Baptist (FBC), and St. John's Episcopal (SJEC). The four-week series will be as follows:

When	Where	Preacher
Mar. 16	SJEC	Wayne Wiatt (TUMC)
Mar. 23	FBC	Rick Effinger (SJEC)
Mar. 30	FPC	John Rice (FBC)
Apr. 6	TUMC	Brant Copeland (FPC)

In addition to these Thursday gatherings, Trinity will begin an extensive small group study in March, titled: **"Restored: Finding Redemption in Our Mess!"**

Barbara Hynes will be coordinating our studies in Sunday School classes, home groups, and maybe even a few coffee shops all over Tallahassee. Look for a variety of listed studies you can join, to be published by mid-February. The **"Restored"** studies will begin in March and last for six weeks leading up to Holy Week.

As we count down to the beginning of Lent on March 1, a familiar celebration in

New Orleans coming up the end of February will be Mardi Gras, which literally means "Fat Tuesday." Tampa ushers in Lent with a Festival called Gasparilla. These festivals, replete with phenomenal food, parades, parties and balls, usually begin up to a full week before Ash Wednesday and give folks an opportunity to overindulge before they are asked to commit to a time of personal discipline and self-reflection.

Throughout the history of the Church, people used Lent as a time of fasting and repentance. Since they didn't want to be tempted by sweets, meat and other distractions in the house, they cleaned out their cabinets. They used up all the sugar and yeast in sweet breads before the Lenten season started, and prepared for a time of discipline and self-denial.

Ash Wednesday is always the day after Mardi Gras, and in many Christian traditions begins with a worship service where we recognize our mortality, repent of our sins, and return to God. We recognize life as a precious gift from God, and recommit our lives to Jesus Christ. We may make resolutions or change something about our lives over the forty days of Lent, so that we might be more Christ-like in our actions and behaviors. In an Ash Wednesday service, the sign of the cross is offered and placed on a person's forehead with ashes, to represent their commitment to a life willing to be marked as a disciple of Jesus Christ. Historically, the ashes are to be made from the Palms used on Palm Sunday, representing the palms that were waved in joy during the triumphal entry of Jesus into Jerusalem, and quickly becoming the ashes of sorrow from the crucifixion.

In Jewish and Christian history, ashes are

Viktor Billa Update

We are pleased to announce Viktor has been granted an extension on his religious visa to continue serving as Trinity's organist.

Viktor likes to practice with the organ in the middle of the chancel to hear the pipes from both sides.

Did You Know?

One of the highlights of our NETkids ministry on Wednesday afternoons is the annual Teacher Appreciation Dinner. Each child invites one of their teachers to a special dinner held at our church in their honor. The children enjoy the meal with their teachers and sit with them for the special prize drawings. Then the children assemble for a 15-minute concert. This usually includes a few selections from their new musical, which the NETkids will present in its entirety at our worship services on April 30. They also sing a few NETkids favorites like "Train Me Up" which is especially appropriate for teachers. Sorry, we cannot invite the congregation to this event...this is something special for the NETkids and their teachers!

("The Season of Lent" continued from page 2)

a sign of our **mortality and repentance**. Mortality, because when we die, our bodies eventually decompose and our bodies return to the earth: ashes to ashes, dust to dust. Repentance, because long ago, when people felt remorse for something they did, they would put ashes on their head and wear "sackcloth" (scratchy clothing) to remind them that sin is pretty uncomfortable and leads to a sort of death of the spirit. This was their way of confessing their sins and asking for forgiveness.

At an Ash Wednesday service, worshipers are invited to come forward to receive the ashes. The minister will make a small cross on your forehead by smudging the ashes. While the ashes remind us of our mortality and sin, the cross reminds us of Jesus' resurrection (life after death) and

forgiveness. It's a powerful, non-verbal way that we can experience God's forgiveness and renewal as we return to Jesus.

At Jesus' baptism, the sky split open, the Spirit of God, which looked like a dove, descended and landed on Jesus, and a voice from heaven said, "This is my Son, My Beloved, with whom I am pleased." Afterward, as told in Matthew 4:1-11, Jesus was sent into the wilderness by the Spirit, where he fasted and prayed for 40 days. During his time there, he was tempted by Satan and found clarity and strength to resist temptation. Afterwards, he was ready to begin his ministry.

Are you searching for something more? Tired of running in circles, but not really living life with direction, purpose or passion? Our lives are often filled with distractions. Lent is a great time to "repent"

— to return to God and re-focus our lives to be more in line with Jesus. It's a 40 day trial run in changing your lifestyle and letting God change your heart. You might try one or more of these practices for Lent: **Fasting, Study, Prayer, Service**.

The Season of Lent at Trinity will begin with special worship services on Ash Wednesday, March 1, in the Westminster Chapel at 12 Noon and 6:30 p.m. in the Trinity Sanctuary.

I invite you to come and observe a Holy Lent as we begin this season of Spiritual Disciplines and personal growth as we seek to follow Jesus on his way to the Cross.

Lent 2017

Rev. Barbara Hynes
Associate Pastor of Discipleship

This Lent you are invited to join with others in a small group to do some spiritual work together. We will be offering numerous small groups to study **Restored: Finding Redemption in Our Mess** by Tom Berlin. It will help us "look at our mess through the eyes of Christ." This video supported study will guide us through the process from "mess management to

life restoration." As we share our stories and support each other in the journey to transformation, we will have the opportunity to grow in our faith and to be better equipped to share the good news with others.

Sign ups for small groups will begin in February. Forms are available on our website and in the Welcome Center. They

will be in the weekly worship bulletins starting Feb 12. Small groups will meet at Trinity and in homes. They will meet once a week. Groups will start after Ash Wednesday (March 1), and continue through Holy Week, the second week in April. If you would like to host a group in your home and/or be a small group leader please contact Barbara Hynes.

A Record Breaking Year for Meals on Wheels

Rev. Barbara Hynes
Associate Pastor of Discipleship

This year's volunteers broke all records for participation! It was an intergenerational group of 90 people including 32 children and youth who came to prepare and deliver Meals on Wheels for Elder Care Services on Martin Luther King Day. Together they produced and transported 438 meals to 219 persons. They visited

and checked on the well-being of the recipients and some even brought them beautiful camellias from their garden. It was a satisfying day with lots of smiles and laughter.

Thank you to all the volunteers who came and carried out this vital service to our community.

- In the Spotlight - Linda Yates

Any newer church members who haven't met Linda personally will recognize two of her major contributions to Trinity....The Tidings and The Heritage Room!

Linda was the founding editor of the Monthly Tidings that you are reading. She revived it after a period of dormancy

and served as its volunteer editor for nearly 20 years! Thank you, Linda!

Have you visited the beautiful Heritage Room on Trinity's third floor? In 2007-08, she and her husband, Bob, designed and helped create this amazing room where 193 years of historical documents and artifacts are preserved and displayed! The work continues with last year's formation of the Trinity Historical Society. As chair of the group, she hopes to encourage the participation of others in researching, writing and communicating Trinity's rich history for current and future church

members. Thank you, Linda!

One historical fact Linda treasures is that the women's group of the church, now called United Methodist Women, started at Trinity in 1882 as the Woman's Missionary Society. It helped send a missionary to China, helped pay for the church's organ and in 1927 helped raise funds for the first Wesley Foundation Building at FSU. UMW employed the church's first Helping Each Other (HEO) coordinator and continues to support it as a ministry of Trinity. Linda has served as president of UMW and several years ago was

one of the retreat leaders studying ways to keep the organization a vital ministry.

For over 60 years she has served Trinity in many roles including Chair of Staff Parish Relations, Communications, Administrative Board, Sunday School Teacher, and UMW. She chaired Trinity's 175th Anniversary Committee and served as editor of its history, Trinity United Methodist Church, Tallahassee's First Church 1824-1999.

Thank you, Linda, for your amazing contributions and service to Trinity United Methodist Church!

HEO Corner

Ruthann High
HEO Coordinator

In 2016 Trinity HEO passed out over 3,600 snack packs to almost 700 different people. This just amazes me. Because people donated money and snack pack items, so many people were able to eat. What I really love about this snack pack ministry is how our church has been able to share some radical hospitality to many people forgotten by society. Not only are we giving these hungry people something to eat, we are also calling them by their name and making

them feel like they matter. Some of these folks come regularly and some come occasionally and some come one or two times. No matter how often they come, I try to say their name back to them and thank them for coming by. Please continue to bring requested snack pack items to the Welcome Center or make donations to Trinity HEO. Our Trinity neighbors on the street know that Trinity is doing a good thing and they appreciate it.

Youth Happenings in February

Lisa Prasse Tanner Johnson
Youth Director Youth Ministry Assistant

A Note from Lisa ...

As January ushered in another new year, so did our youth! We are back up and running in the Underground and it never ceases to amaze me just how quickly we're "running!" Please see a little of what we're running toward in the coming months and be reminded of Sunday school every Sunday morning at 9:45 in the Underground and mid-week bible studies on Wednesday afternoons and evenings!

We had fun exploring different forms of worship during January as our confirmation class went on the road with a fun Friday night dinner at Moe's and a terrific service with Rabbi Jack Romberg at Temple Israel. It's wonderfully eye opening to see how others worship and to learn about why they do the things they do and believe what they believe.

This month we're going to visit the Catholic church as we take in a Sunday morning service together on February 5th. Another awesome opportunity to see how different worship can look, sound and feel—and still be worship!

Our juniors and seniors were invited to a weekend retreat at Warren Willis at the end of January where they were able and encouraged to connect to their potential college ministries. College ministries from around the state of Florida were represented by volunteers, workshop leaders, worship bands, and speakers. The kids had a great time and made some terrific connections. They were grateful for this opportunity to make new friends they might connect with a little later in their lives.

In preparing for our high school mission trip in March, we will have a parent meeting on Sunday, Feb. 5th and the youth have been invited to a "Youth Work Day" all around Trinity's campus on Saturday, February 11. This event will help bridge a gap as our other major fundraiser will not take place until after their mission trip. Please let us know if our youth could be of service to YOU in anyway (yard work, around the house projects)—we are always looking to serve!

Thanks always for all you do to

support and promote our terrific youth group. We are endlessly grateful! See what's coming up below:

Upcoming Youth Dates:

- 2/5..... Confirmation Class to St. Thomas More (during Sunday School)
- 2/5..... Youth Super Bowl Party during UMYF
- 2/11..... Youth Work Day at TUMC
- 3/11-17 ... HS Mission Trip
- 4/1..... Spaghetti Fundraiser during Springtime Tallahassee

- 4/8..... Easter Fest
- 4/14-15 ... 30-Hour Famine
- 5/7..... Confirmation Sunday
- 5/21 Graduate Sunday

Summer Dates:

- 6/5-10..... Youth Week
- 6/12-16 ... VBS!!
- 6/25-29 ... Mid High Mission Trip to EPIC in Vero Beach, FL
- 7/10-15 ... CaMp!!! at Warren Willis

Trinity Youth were well represented at the recent **Meals on Wheels**, Martin Luther King, Jr. Day meal delivery. Trinity takes over the **Elder Care Services** facility and cooks and delivers to all of the recipients in Tallahassee. This is a very good thing to do - and a pretty fun thing to do on a day off from school! Those who received their meals were very appreciative.

Hats for Friends

Judy Levy
Hats for Friends Coordinator

Hats for Friends has disbursed the hats and scarves created in 2016. What was left over from the Christmas dinner crowd has been divided among Hope Community, Allen Outreach, Grace Mission and HEO. We will be working over the summer on individual projects and reconvene in the late summer/early fall with an organizational meeting. At that time, we will create our new focus/plan for 2017. If you are interested in becoming a part of the committee/group, please contact Judy Levy (judithtlevy@embarqmail.com).

We are always interested in teaching newcomers the crocheting and knitting skills that we use to create the hats and scarves.

Thanks to all of those who created hats and scarves in 2016 and we are looking forward to a productive 2017.

The hats and scarves are always in demand at the Community Christmas Dinner.

(Local Missions continued from front page)

music with reading was our strategy, and it proved to be overwhelmingly successful!!! A Trinity member participated in the annual neighborhood Halloween and Christmas Parties, contributing food and entertainment. To keep up with the activities and needs of Providence, a member of Trinity attends the monthly Neighborhood meetings. In July, the Tallahassee Council of Neighborhoods Association (CONA) awarded Providence "The Large Neighborhood of the Year Award for 2016."

The leaders of Providence Neighborhood Association have, on

numerous occasions, thanked Trinity United Methodist Church for its contributions and support.

Undie Sunday

Dot Hayward and Paula Smith creatively thought up the idea of Undie Sunday which was an amazing success. Trinity members donated 1,662 pairs of underwear and over \$1,300 in cash. Dot and Paula will meet with several store managers to negotiate the best possible prices for expending the balance of these gifts. There will be enough underwear to share with many children in all the

areas we had hoped to help - Hope Community, Allen Outreach, Ruediger Elementary, and Riley Elementary Schools. In addition to all the donations, Trinity members were generous in contributing their time to sort and prepare the gifts for distribution.

Habitat for Humanity

We not only give financial support for

Habitat for Humanity, but Marti Chumbler assembles a group of volunteers each year to help with the FaithBuild home for a family in need.

Feeding the Hungry

There are countless volunteers from Trinity that help with the Homeless Shelter at The Kearney Center. We serve the meals on the 1st, 4th and 5th Mondays of every month. Anywhere from 220 to 365 meals are served in the evenings, each and every day.

Gloria and Blue Whitaker have been the brains behind the annual Christmas Dinner held at Trinity for any and all who would like to share a Christmas meal with others. They have countless volunteers to assist them. What a wonderful and beautiful witness.

Local Missions Helps Others

Local Missions has also introduced several new organizations to Trinity throughout the year as other ways Trinity members can get involved.

The Local Missions Team want to thank the members of Trinity for their support and faithfulness in helping those in need.

If you are looking for a great place to serve Trinity, please consider the Local Missions Team.
