In the event of an accident or injury involving my child, I request the Vacation Bible School staff to follow standard first-aid procedures. Put on your hiking boots,
wear your adventure hat,
and join us for our

Deep Blue Adventure Party!

Join us June 12-16 for an unforgettable adventure at Maker Fun Factory. Each day, curious kids become hands-on inventors who discover they're lovingly crafted by God through these awesome stations:

- Sound Wave Sing and Play
- Bible Discovery
- Game Makers
- Imagination Station
- Snack Factory
- Funshop Finale

Each day we will also learn about the children who will be helped by Operation Kid-to-Kid, our mission project. You won't want to miss out on all the fun so sign up today, invite some friends and get ready to rock!

What to Wear

Be sure to wear play clothes that can get dirty and safe shoes. Since everything is hands on and active, kids will be moving a lot and will get a little messy and sometimes wet. T-shirts will be sent home Monday to wear Tuesday for pictures.

You Can Help!

There is a lot to be done to prepare for Maker Fun Factory. Be sure to check the areas where you can help on the back of the registration form. To get ready for our adventure, parents and other interested adults may work at home or come to a Saturday workday (Feb. 25, Mar. 25, Apr. 29, or May 20 from 8am-12pm). We can use lots of hands to create the Maker Fun Factory interactive décor. The day before VBS, Sunday, June 11, we'll need lots of help in the afternoon, transforming the building and getting ready. If you can't be there during the VBS week, this is one way you can help prepare and awesome adventure for the children.
