

Hello parents; here is your April newsletter!

1. This year's State of Florida Law Enforcement Memorial March will take place on Monday, April 29, 2019. The Tallahassee PD has advised me they will provide related information on their social media sites, so please be sure to check on those on the morning of the 29th. They also advised me that they will not close the roads until 9am; we will see about that!
2. For tax purposes, our Federal ID is: [590638497](#)
3. Check out these adorable ceramic hand prints! TUMP parent Dorrie Sanders-Duarte is the owner of Myakka Clayworks and is coming back once again to do these baby prints for the preschool. The cost is only \$22, and if you would like to bring a sibling in that is not enrolled at TUMP, that is fine. The baby prints are scheduled for Thursday, April 4. The deadline to order is Tuesday, April 2. Please see the attached order form.

4. Current PK3 families (those in Ms. Snowden and Ms. Polanski's classes): Now is the time to register for next year's VPK class with the State of Florida Office of Early Learning. Please go to their website for the details and to register: <https://familyservices.floridaearlylearning.com/>
5. If you DO NOT want to stay for the summer session, **please respond to this email**. The deadline to opt out for the summer is **April 15**. I will assume that you are staying for the summer if you do not reply. I have posted a list inside my office if you would like to confirm that your child is on it (viewable through the window if I am not around).
4. Come and join us for Trinity's Annual Easter Egg Hunt on Saturday, April 20th at 10am at Tom Brown Park (playground and Pavilion by the lake). We will start the festivities with a potluck brunch, so please bring your favorite breakfast dish to share. Afterwards, it will be all smiles and giggles as the children hunt for their hidden treasures; don't forget to bring your Easter baskets! This is a family favorite, so invite a friend and come celebrate the joy of Easter with food, fellowship, and fun.

6. We have an incubator, and for the first time at TUMP, we will be (attempting) to hatch some chicks! Be sure to check out the hallway with your child as the process unfolds. I will get the eggs from my in-laws, and the chicks will return to them when they hatch.
7. DCF requires that we notify each family (twice a year) about distracted driving. You will find a flyer in your child's cubby/file folder with information about this important topic; please sign the sheet outside of your child's classroom indicating that you have received this flyer. As always, if you have any questions, please let me know.
