

Hello parents; here is your July newsletter. Welcome to the new families on this email blast; we are looking forward to your children joining us in August!

1. We had a wonderful day today. I am not sure who was more excited to be back; the parents, the kids, or the staff!
2. Even after one day open, we are already thinking about ways to refine our procedures to keep your children safe while at school. I will inform you of major changes, but wanted you to know that we are constantly thinking about our actions.
3. We are working out the details regarding our 2020-2021 school year orientation and will communicate them just as soon as they are firmed up.
4. Click here to read the church newsletter, The Tidings: https://www.tumct.org/wp-content/uploads/2020/07/Tidings_2020_JULY_done.pdf
5. Some of you may have heard that Leon County Schools announced they will push the start of their school year to August 19. At this time, that does not affect our schedule. Our summer session ends on Tuesday, August 4th. We are closed for 3 days of training and orientation and the first day of our school year remains August 10th. Normally, we do follow LCS with regards to scheduling, but not this time.
6. Many thanks to those of you who have donated cleaning supplies and items needed for the preschool; we are so grateful. I try to keep the list current on Myregistry.com; if you are inclined to purchase anything, here is the link: <https://www.myregistry.com/wishlist/trinity-preschool-tallahassee-fl/2400791>.

Stay safe,
