

June 2021 Newsletter

Parents,

Here is all of the June news! (delivered a little early!)

1. As we close out this wild and crazy year, I would be remiss if I did not say thank you to each and every one of you. TOGETHER we made it through a very trying year. Your support has made all of the difference. I am ever grateful to TUMC for assistance with the PPP, our parents for all of the donations, letters, kind words, and most especially, for your commitment to keeping our school open and safe. From the bottom of my heart, thank you all.
2. COVID news:
 - We continue to take everyone's temperature here at the preschool each day. Please remember that we are asking you all to do that at home before you arrive.
 - We all need to continue to take every precaution and be aware of all symptoms, no matter how minor they may seem. While I feel like we are turning a corner with COVID, this is not the time to become complacent.
3. Please join us in wishing all the best to our Preschool Class of 2021 graduates!
 - Wyatt Beekman-Dowell - School of Arts and Sciences at the Centre

August 11	First day of the 2021-2022 School Year!

5. Summer information:
- I have made the decision that our staff may remove their masks when outside on the playground and at drop-off/pick up outside.
 - Our summer units include: Vacation Bible School, America, and Fruit of the Spirit.
 - Please see the attachment with our class roster for the 6 week summer session.
 - For those wishing us to apply sunscreen or use bug spray on your child, it would be very helpful if you do this first before dropping them off in the morning. If you provide us with sun screen or bug spray, we will apply them at other appropriate times during the day. (Please label all bottles with first and last name.)
6. I know that I generated a great deal of excitement with the tuition information letters and the **key deposit**. I am SO HOPEFUL that parents will be back in the building in August! Stay tuned!
